Save The Dates & Beat The Heat
SUMMER MOVIE PROGRAM
Saturdays—July 9 and August 6 at Unity, 4:00 - 7:00 P.M.

A German doctor meets Eva, Enzo and their three children who welcome the doctor into their home and entrust their young daughter, Lilith, to his care, not knowing that they are harboring one of the most dangerous criminals in the world.

AUGUST 6: The Frisco Kid, 1979. (119 mins.) Rabbi Avram Belinski (Gene Wilder) arrives in Philadelphia from Poland en route to San Francisco where he will lead a congregation. He has with him a Torah scroll for the San Francisco synagogue. Belinski, an innocent, trusting, and inexperienced traveler, falls in with three con men, who trick him into helping pay for a wagon and supplies to go west, and then rob him, leaving him and most of his belongings scattered along a deserted road in Pennsylvania.

We follow Belinski through his time with the Amish who rescue him, his work on the railroad, his friendship with a soft-hearted bank robber, the hospitality and other customs he encounters from American Indians, his disruption of the vow of silence at a Trappist monastery, and his final arrival in San Francisco.

We are now in the hottest days of our Sarasota summer, as well as of our political process. Mudslinging, heated rhetoric and relentless attack ads from all sides have led to a general feeling of national stress.

If we are able to manage the near-impossible task of tuning it all out, those of us who stay in our beloved Sarasota for the summer really get to enjoy the best of it. Early Bird specials at the restaurants where we can’t even reserve tables in season, parking at the beaches, empty roadways, and shops with no lines. We also get to watch the state bird of Florida - the Construction Crane - in the process of devouring yet more green space and creating canyons in the downtown area. We can see just what a hungry bird it really is as we watch more roads being widened, more roundabouts in progress, tons of new housing everywhere, and even the possibility of the return of parking meters.

Why do I say all this? Because in the midst of all the above angst and strife, we still see each other at the movies, plays, the library, in restaurants, and at the places where we volunteer. When we’re walking downtown or in a shopping center and see someone we know, we do a double-take and then get to the greeting and the catching up. That’s always nice; it reminds us we are still connected to each other in our summer ‘small town living.’

The people at my corner gas station and Walgreens all know my name. The lady in my Publix bakery does too, and always asks why I don’t get challah in the summer.

Be sure to try and get to our movies at Fellowship Hall, and bring a brown-bag supper or snack. We’ll have tables set up and can get to know each other a little better. Movies are free to members and $5.00 for non-members. (See the registration form on page 3 of this issue.)

We need volunteers to be Greeters for visitors and new members. Not a hard job, no taxes to report. Call me or send an e-mail to me or the office if you feel you can do the job. We also need volunteers for our Social Action Program, same information as above.

We just need people to get involved, new people, people who have been members for a long time and anyone who feels they need something to do. We always need the extra help!

Continue the joy and freedom of the summer. Wishing good health and wellness to all our members,

Shalom and Shanti,

Alice

**Shirley Gotthelf**

Shirley Gotthelf, longtime CHJ member, born on February 16, 1932, passed away in Sarasota on May 23, 2016, after a 13-year battle with cancer. She lived life to the fullest until the end. Shirley enjoyed playing classical piano, walking, cycling and collecting art. A native of Birmingham, Michigan, she raised three children, taught piano and worked alongside her husband in their drug store. Upon retirement, they filled their Longboat Key home with art and enjoyed the sunshine.

Beloved wife of the late Gerald “Jerry” Gotthelf; cherished mother and mother-in-law of Gail, Dennis and Beth Gotthelf (Steven Miesowicz); proud grandmother of Dana, Sarah and Paula De Witt and Catherine Penley; and, great-grandmother of Nollen and Emma Partee, Vayda Haithcox, Melissa Merrifield and Megan Penley. Services were held in Sarasota, Florida and Michigan.

**Lola Fivel Laubheim**

Lola Laubheim, CHJ member, died at Tidewell Hospice on March 20, 2016. Laubheim was a second-generation Goucher alumna. The United States entered World War II just months before she graduated, so she joined the Women’s Army Corps. As a recruiter for the WACs, Laubheim and the members of her team put on parades and musical performances.

Later, she was transferred to Binghamton, New York. She often escaped the summer heat at the USO, where she practiced archery. One day, a soldier criticized her aim, telling her, “You’re not very good,” and demonstrating his own prowess. “Well, he was not as good as I,” she said, describing how he sent an arrow through a nearby kitchen window. But what Charles Laubheim lacked in archery skills, he made up for in other ways. The two married and moved to Baltimore where they raised three daughters, taught in the city public school system, and were “very political.”

In the 1950s when Baltimore integrated the school system, Laubheim volunteered to teach in a historically black school. “I really believe it was something we had to do,” she said. Her actions felt more like doing the right thing than being part of a historic movement. “I will do anything to promote racial equality, any equality.”

In retirement, Laubheim spent her time teaching Shakespeare and memoir writing to fellow residents. A memorial service was held at The Fountains on March 25, 2016.

**Solo Schiffman**

Solo Schiffman, at the age of 91, passed away from heart related problems on the morning of Thursday, April 21, 2016, at Sarasota Memorial Hospital. Her only son, Neil, died not too long ago after a heroic fight against brain cancer, and Solo was greatly affected and under stress before and after his death.

Solo happily volunteered in many ways for our CHJ community and could be counted on at a moment’s notice. She was active in other Jewish organizations, was an avid bridge player, an excellent bridge teacher, and was always on the go. She will be sorely missed by her many friends.

Solo had shared a love of music with her husband, Jim. She enjoyed going to films of Metropolitan Opera productions at the movie theater. She appreciated it when someone asked her how she got the name Solo, and she loved to answer something like, “Because I’m the only one,” or “Because I’m unique.”

During one Oneg a friend was sitting chatting with Solo when the zipper on the pants pocket which held her car keys became stuck. Solo knew exactly what to do. Why? She told us that her family had a zipper factory and she knew all about zippers. “Take a pencil and run the lead along the zipper teeth,” she said, and voila! the keys were released.

As Sonia Fuentes said, “She received the gift of a good death. She lived on her own terms, good health, driving and active to the end. I don’t know many people who receive that gift. She is missed.”

Solo was a very private person who requested there be no memorial service. She, like her deceased husband, James, left her body for scientific research. She is survived by her daughter Hennah Susha of Boston and her daughter-in-law Evelyn of California.
NEW ONEG CHAIR – EDIE KAPLAN

Edie Kaplan will be in charge of the Onegs as of September, 2016. If you are able to join our committee and provide assistance to Edie in this effort with the planning, organizing and follow through, as well as table and chair set-up and restoration, please contact Edie through the CHJ Office at chjsarasota@hotmail.com or 941-929-7771.

Edie is a gluten-intolerant celiac and is very familiar with a variety of food intolerances such as dairy, eggs, nuts and salt, as well as gluten. If you would like to let Edie know about your special dietary needs, feel free to e-mail or call her any time. Edie hopes to make the Onegs successful and enjoyable for everyone. Thank you.

SHJ BOARD APPROVES SLOGAN

SHJ has chosen "Judaism Beyond God" as its first ever slogan for the organization. Arthur Liebhaber, Chair of the Society for Humanistic Judaism’s Communications/Marketing Committee remarked, "We chose the title of our founder, Sherwin T. Wine’s groundbreaking 1985 book, presenting a new secular and humanistic alternative to any of the forms of conventional Judaism.” The slogan represents a clear, concise, understandable description of what Humanistic Judaism fundamentally represents. (Kesher, May-June 2016)
I was sixteen years old when the first World War broke out, and I lived at that time in Hungary. From reading the newspapers in Hungary, it would have appeared that, whatever Austria and Germany did was right and whatever England, France, Russia, or America did was wrong. A good case could be made out for this general thesis, in almost every single instance. It would have been difficult for me to prove, in any single instance, that the newspapers were wrong, but somehow, it seemed to me unlikely that the two nations located in the center of Europe should be invariably right, and that all the other nations should be invariably wrong. History, I reasoned, would hardly operate in such a peculiar fashion, and it didn't take long until I began to hold views which were diametrically opposed to those held by the majority of my schoolmates. ... Even in times of war, you can see current events in their historical perspective, provided that your passion for the truth prevails over your bias in favor of your own nation. Leo Szilard, physicist (1898-1964)

AN IMPORTANT SECURITY NOTICE

Due to security issues, CHJ members were advised in our April 12 e-blast that changes and/or additions to our CHJ Directory will be sent out periodically in e-blasts.

Since personal information can be viewed on-line, an e-blast is a more secure method - limited to CHJ members. Any members who do not have internet access will be advised of changes by USPS mail.

Polled Board Members were unanimous in agreeing to this newer method of disseminating personal information.

Telephone numbers and e-mail addresses will no longer be listed in our newsletter.

If you wish to contact any of our members, please refer to your Membership Directory.

If you have mislaid your Membership Directory, contact the CHJ Office for a replacement copy at 971-929-7771 or chjsarasota@hotmail.com. (Also note that Membership Directories sent from the Office will not have been updated since January 2016.)
HUMANAIRES  In August, the Humanaires will be back from vacations. Our rehearsals will resume on **Wednesday, August 31**, when we begin preparations for the High Holidays. Our members and conductor Robert Lischetti always welcome new folks to the chorus, and this is a great time to join us. We are a warm and friendly group and we would love to have you sing with us. There are no auditions. **We meet from 2:30 - 4:00 p.m. every Wednesday** in the sanctuary at Unity from our starting date in August until the end of April (although this year we’ll have a bonus service celebrating Israel Independence Day at the start of May). When you plan on joining us for one of our rehearsals, let us know in advance so that we may have music ready for you to use. For more information please leave a message for Sandy Cadman at the CHJ office at chjsarasota@hotmail.com or 941-929-7771 and someone will return your call. You may also speak with any member of the chorus.

JEWISH HISTORY SEMINAR  The June session proved to be exceptionally wide-ranging and stimulating. The discussions covered the major waves of Jewish migration from Eastern Europe to America; the dominance of Jews in political “Utopian” movements; and the beginnings of the Zionist Movement. It was chaired by Paul Molnar who wove into the discussion some of his own experiences as a young man in Hungary and subsequently as a Holocaust survivor. Seminar participants spoke of their own families’ immigration to America and of Zionism as a forerunner of the State of Israel. The July Seminar will be held on **July 13 (the 2nd Wednesday of the month)**, at Unity, **1:00 – 3:30 p.m.** The topics to be discussed include: the evolution of Hebrew from a sacred to a secular language; the revival of Jewish Palestine; and the United States as the new Promised Land. *(Barnavi, pp. 200-205.)* This Seminar will be chaired by Jeff Lipkes. Jeff is a relatively new member of CHJ and the History Seminar. We welcome him to both! For more information, please contact Stan Katz or leave a message for me at the CHJ Office: 941-929-7771 or chjsarasota@hotmail.com.

DIGITAL IMAGING GROUP (DIG)  We meet at **3:30 p.m. on the 4th Tuesday of every month** at The Fountains Cinema, Parking Lot #4. An assignment is made and members e-mail their required pictures, along with the best picture taken during the past 30 days. Photos are projected onto a large screen and editing software is applied to demonstrate possible enhancements. In addition, tutorials are presented with some guidance for the next month’s assignment. Camera functions and general photography tips are addressed. New members are welcome. For further information contact Jules Altenberg.

BIKERS  We are taking a recess for the summer and will resume riding in the fall.

SUNSETTERS  Ours is always an open group that can accommodate an infinite number of people. We meet on the **3rd Sunday every month on Lido Beach – in front of the pavilion.** Our only agenda item is the sunset. It is very informal and casual. We arrive about 1-1/2 hours prior to sunset. Bring your own picnic dinner (something you can grasp, like a sandwich, because the seagulls are pretty hungry.) Bring chairs, of course. If you’d like to join us, contact the Office at 941-929-7771.
**SOCIAL ACTION**

**SOCIAL ACTION COMMITTEE**

*Annette Wolfe, SAC Chair*

CHJ has a membership of talented, creative, innovative, kind people. As the new Social Action chairperson, I am inviting you to join this Committee and bring forth new projects or rejuvenate existing ideas that will enable members to help those in our community.

Each of us has a different idea of what we think is "doing good" and what he/she is able or willing to do. Please consider joining me in resurrecting a strong, vital Social Action Committee. You will benefit, CHJ will benefit, and the Sarasota-Manatee communities will surely benefit. No idea or action is too small. Together we can accomplish wonderfully rewarding, helpful actions for those in need. I look forward to working with you and encourage your participation and in doing so CHJ will continue to exemplify "We Believe in Good."

There are already actions in place such as the Backpack for Kids Program, All Faiths Food Bank, and Community Haven. I will be in touch with those in charge of the various actions we already have in place.

**AmazonSmile.** It has been requested that I include AmazonSmile under Social Action. This program is an easily accomplished way to have funding come to CHJ. Anyone who purchases items from Amazon can do this. On your first visit to AmazonSmile ([smile.amazon.com](http://smile.amazon.com)), before you begin shopping you need to select a charitable organization in order to receive donations from eligible purchases. Please Indicate ‘Congregation for Humanistic Judaism, Sarasota, FL.’ You only need to put this information in once as your choice of charity will have been linked to your account.

The subsequent process is to first type in AmazonSmile when you are purchasing anything from Amazon. Then go ahead, select your purchase, and 0.5% will be given to CHJ. This works with Prime as well. Every little bit adds up. You can ask family and friends if they would be willing to help CHJ. **Please contact me through the CHJ Office with any questions you have concerning AmazonSmile.** Thank you to our President, Alice D’Souza, for bringing AmazonSmile to our attention,

Also, thank you all in advance for helping CHJ in furthering and continuing the good we do. I am still new to Sarasota and would be grateful for any explanations, help, ideas, etc. from all of you. Feel free to get a jump-start on the season by leaving a message for me anytime with the **CHJ office at 941-929-7771 or chjsarasota@hotmail.com** and I will contact you immediately. Wishing you a wonderful, healthy summer, Annette Wolfe

**SPECIAL & SOCIAL GROUPS, from page 8**

**OPERA BUFFS** Any members interested in getting together for dinner after the Sunday matinee performances of the Sarasota Opera this coming season are invited to contact Jeff Lipkes. The first performance is Donizetti’s *Don Pasquale* at 1:30 p.m. on October 30. **Contact me, Jeff Lipkes, or leave a message at the CHJ Office 941-929-7771 or chjsarasota@hotmail.com.**

**REEL LOVERS** Thanks to all of the members of the Reel Lovers discussion group for creating an Academy Award winning season! Movie selections were outstanding, filled with challenging discussion topics plus wonderful artistic films to watch. Gracious hosting by our members, conversations filled with laughter, vigor and insights, and warmth and friendship filled every session. Next meeting is scheduled for **Jan. 15, 2017 at 2.00 P.M.** Movie to be announced. See you soon, but until then, be well, **Norine and John.**

**CHAVURAH** Being part of a Chavurah is warm, engaging, stimulating, and fun! You have a chance to really get to know and understand fellow CHJ members as you meet monthly and shape your group. Think of contacting some of your friends to start a new Chavurah. Then contact me and I will be pleased to help you organize your beginning. You will be so happy you did. **Renee Crames.**
Humanistic Judaism embraces a human-centered philosophy that combines rational thinking with a celebration of Jewish culture and identity. It affirms that human beings possess the power and responsibility to shape their own lives, and that ethics and morality are not divine in origin but are human responsibilities. Our mission is to meet the needs of humanist, secular Jews as well as their non-Jewish family members/partners and friends in the greater Sarasota and Manatee area.

**DNA sat nav uncovers ancient Ashkenaz, predicts where Yiddish originated**

The origin of Yiddish, the millennium old language of Ashkenazic Jews, is something which linguists have questioned for decades. Yiddish is thought to have been invented by Iranian and Ashkenazic Jews as they traded on the Silk Road. Findings provide opposing theory to the view that Yiddish is an old German dialect.

Now, a pioneering tool -- the Geographic Population Structure (GPS) -- which converts DNA data into its ancestral coordinates, has helped scientists pinpoint that the DNA of Yiddish speakers could have originated from four ancient villages in north-eastern Turkey. The research, led by Dr Eran Elhaik from the University of Sheffield, suggests the Yiddish language was invented by Iranian and Ashkenazic Jews as they traded on the Silk Road. The ancient villages, identified by the GPS tool, are clustered close to the crossroads of the Silk Roads and are named Eskenaz, Eskenaz, Ashanaz, and Ashkuz—names which may derive from the word Ashkenaz.

"Language, geography and genetics are all connected," said Dr Eran Elhaik from the University's Department of Animal and Plant Sciences. "Using the GPS tool to analyse the DNA of sole Yiddish and non-Yiddish speakers, we were able to predict the possible ancestral location where Yiddish originated over 1,000 years ago -- a question which linguists have debated over for many years. North east Turkey is the only place in the world where these place names exist -- which strongly implies that Yiddish was established around the first millennium at a time when Jewish traders who were plying the Silk Road moved goods from Asia to Europe wanted to keep their monopoly on trade." *April 19, 2016, University of Sheffield*
