**Kristallnacht Service and the Humanaires, & Paul Molnar speaking on**

**Kristallnacht: the Beginning of the Holocaust**

After our **10:30 a.m. Kristallnacht Service**, CHJ member **Paul Molnar** will talk to us on **Kristallnacht: the Beginning of the Holocaust**.

In September 1939, when the German army entered Poland, Molnar was a 10-year-old boy living with his parents and seven-year-old brother in Budapest, Hungary. Hungarian Jews were totally assimilated and never thought of themselves as Jews but as Hungarians.

On March 14, 1944, German forces invaded Hungary. From then onwards, Jews were forced to wear the yellow Star of David, curfews were put into place, radios were forbidden, as was the ownership of any form of transportation, even bicycles. Then, within the space of 13 weeks, he, his family and another 15,000 Budapest Jews were marched to the railroad station. He survived living in four different labor camps.

Molnar came to the United States in 1947 and lived in Detroit, Michigan. He moved to Sarasota in 1994. He is one of the original members of the Birmingham Temple and of CHJ. Paul says, “I have dedicated myself to let the world know about the Shoah, so it will never happen again. I speak at schools, libraries and churches.”

**Friday, November 18 at 7:30 p.m.**

**Thanksgiving Service and the Humanaires, & Speaker Baila Miller on**

**Verdi’s Opera “Nabucco”, Italian Liberation, and the Jewish World**

Following our **7:30 p.m. Thanksgiving Service**, Baila Miller will speak to us on Verdi’s opera **“Nabucco”, Italian Liberation, and the Jewish World**.

*Nabucco* was composed in 1841 by Giuseppe Verdi. It tells the story of the Israelites as they are assaulted, conquered, and exiled from their homeland to Babylon by King Nebuchadnezzar II. The Humanaires will be singing the best-known number from the opera—the "Chorus of the Hebrew Slaves /Va, pensiero." Verdi said, "This is the opera with which my artistic career really began. It was born under a lucky star.”

Miller completed a Bachelor’s, a Master’s degree, and post-graduate work in the area of Instruction and Curriculum Development. Through her company, Miller Music and Fine Arts Programs, she presents college level courses that explore the role of literature, painting, architecture, sculpture, cinema, photography, as well as orchestral and operatic influences in the development of European, Jewish, and modern American culture.

She is currently teaching at the Ringling Library @ FSU, Road Scholar, the Sarasota Library System, Longboat Key Education Center, Art Center Sarasota, the Brandeis National Committee, Pierian Spring Academy, and the Ringling College of Art & Design.

This Program is Sponsored by Sheila Rosenthal & Phil Silverstein

Where oh where has the time gone? After Hurricane Matthew, which fortunately never affected us, we actually had two or three days of wonderful cool weather - a little taste of the comfortable weather which has finally come - and it’s about time.

We at CHJ have been so busy with the Holidays, which I must say were fabulous in all aspects: the services, the music and the food. Our Chavurah group did a great job serving and preparing the Rosh Hashanah meal. The Break-the-Fast kugels were delicious. It seems like our High Holidays get better and better every year, and people mingled afterwards which is always the best part. It is so important to have everyone connected in our great Congregation.

We did a mitzvah over the Holidays which few are aware of. We partnered with Temple Sinai regarding parking in our space: two congregations with the same culture and history but with different ways of celebrating the religious aspect, sharing the parking lot of a Christian Church. It was done seamlessly.

Another reminder from me, Jo Arora: our in-charge person for The Connection is retiring next July, but sooner if someone comes on board. She’s willing to train a volunteer, and she is a delight to work with.

Our membership continues to be strong; we have new members who will soon be introduced to you all.

There have been many members who have been volunteering for various events without being asked - we thank you all. We had seven members and two non-members working at the CHJ table at Sarasota Pride Festival this year. The two non-members set-up and took down the sun/rain canopy. We had a lot of exposure and many good questions throughout the day. And just a reminder - we are not a private club, all are welcome to help, nothing is too much work and everything can be a lot of fun. The more we work together the more we get to know each other and find how different we are and also how very much the same.

We are looking forward to a truly wonderful, upbeat NEW YEAR. Please keep in mind those among us facing hard times due to their health or the health of their loved ones, and those who are feeling loss for the first year, which is so hard - I’ve been there. The first holiday, the first birthday, the first anniversary experienced alone are very difficult. A hug helps.

Shalom and Shanti,

Shalom and Shanti,
The Congregation for Humanistic Judaism extends a heartfelt thanks to the individuals and couples named below who have chosen to add to their annual dues. Friend Donors have donated under $100 and Sustaining Members have donated more than $100. Their combined generosity has added $4300 to CHJ’s coffers, contributing considerably to CHJ’s ability to meet the needs of our members. We thank you very much!

November Education Series: Roskamp Institute

CHJ Roskamp Institute Visit
November 15, 10:00 to Noon
Roskamp Institute, 2040 Whitfield Ave., Sarasota, FL 34243

What do research and development have in common? The answer: Robert Roskamp, a philanthropist and Sarasota-based developer of senior living facilities.

After his brother was diagnosed with schizophrenia and understanding first-hand the effects these diseases can have on patients and their families, Roskamp dedicated his life to finding cures and treatments of such diseases, and has been joined in this endeavor by his wife, Diane.

In 2003, their quest led to the creation of the Roskamp Institute where some of the world's most cutting-edge research is conducted on neurological disorders such as Alzheimer's disease. Since opening its doors, the Roskamp Institute has been a leader in the global effort to better understand and ultimately cure debilitating diseases of the mind. The Roskamp Institute is dedicated to developing medications and therapeutic treatments that will reduce or slow the toxic accumulation of β-amyloid. A promising new treatment developed by Roskamp researchers is nilvadipine (NILVAD) - a clinical study to test the efficacy and safety of NILVAD as a treatment in Alzheimer's disease is currently underway in Europe.

The Roskamp Institute Clinic specializes in the diagnosis of Alzheimer's disease and related disorders, mild cognitive impairment, and cognitive dysfunction secondary to brain damage or disease.

REGISTRATION FOR THE CHJ ROSKAMP INSTITUTE VISIT IS REQUIRED.
Members must REGISTER by November 10.

CHJ BACKPACKS FOR KIDS PROGRAM
I am so proud of all of us and feel heartfelt gratitude on behalf of the 50 children we are supporting this school year. In our annual Rosh Hashanah drive our relatively small congregation raised $ 4700 -- and counting. Good for us and wonderful for the children. Also, a big thank you to our anonymous $50 cash donor." Thank you all. Renee Crames

SONIA FUENTES
and the RED STAR LINE

“I go to the Red Star Line Museum's website from time-to-time to see what the new developments are. I've always been in their section called Stories Now and Then but this is the first time I've seen myself on their cover page. What a thrill! Here I am in the toy car.”
Humanistic Judaism embraces a human-centered philosophy that combines rational thinking with a celebration of Jewish culture and identity. It affirms that human beings possess the power and responsibility to shape their own lives, and that ethics and morality are not divine in origin but are human responsibilities. Our mission is to meet the needs of humanist, secular Jews as well as their non-Jewish family members/partners and friends in the greater Sarasota and Manatee area.

Coming Events

**Saturday, December 3 at 10:30 a.m.**

**Human Rights Service & Rev. Roger Fritts Speaking on The Inherent Worth and Dignity of Every Person**

After our **10:30 a.m. Human Rights Service**, we will have the pleasure once again of listening to **Rev. Roger Fritts**, minister for the Sarasota Unitarian Universalist Church, who will speak to us on **The Inherent Worth and Dignity of Every Person**.

Rev. Fritts wrote, "Over the years I have had a number of conversations with men and women concerning this particular statement of affirmation. "Do you really believe," they frequently ask, "in the worth of every human being?" "How," I am often asked, "can you affirm the supreme worth of a Hitler? Do you affirm the supreme worth of every person?" My talk will attempt to answer this question.

Rev. Fritts studied Political Science at Arizona State University, after which he entered the Unitarian Universalist seminary in California. After serving in a number of churches across the country, he was called to serve as the Senior Minister of Cedar Lane Unitarian Church in Bethesda, Maryland, a suburb of Washington, D.C. With nearly 900 adult members, it is one of the 10 largest congregations in the Unitarian Universalist Association. While in Bethesda, Fritts ministered to congregants working in the White House, on Capitol Hill, federal government agencies, and in state and county government.

After 18 years in Bethesda, in April of 2011, Roger accepted a call to serve as minister of the Unitarian Universalist Church of Sarasota.

**The Program and Oneg are Sponsored by Fredy Jacobson and “dedicated to the wonderful Board of CHJ and in memory of my husband, Irwin Stupack”**.

**Friday, December 16 at 7:30 p.m.**

**Chanukah Service with the Humanaires, and Speaker Molly Swift on Sarasota’s Safe Place for GLBT Teens**

Following our **7:30 p.m. Chanukah Service** and the voices of the Humanaires, **Molly Swift** will speak to us on **Sarasota’s Safe Place for GLBT Teens**.

Swift is the Program Coordinator of ALSO Youth, a Sarasota based non-profit whose mission is advocacy, support and outreach for lesbian, gay, bisexual, transgender and asexual youth and their allies. She works directly with youth and their families at ALSO's drop-in centers in Sarasota and Venice, and leads "ALLY 101" workshops for classrooms and groups of youth, local organizations and professionals. She will be accompanied by a small panel of ALSO Youth Ambassadors who are happy to have a platform to share their experiences and insights.

She first became involved with ALSO Youth as an intern in her third year at New College of Florida in 2011. While at New College, she was able to pursue her specific interests in Psychology and Gender Studies by conducting original research and writing a number of papers on issues related to LGBTQIA (Lesbian, Gay, Bisexual, Transsexual, Queer, Intersex, Asexual) youth.

Molly is now pursuing a Masters in Social Work at the University of South Florida, and is passionate in advocating for and providing services to LGBTQIA youth and families. She loves working with youth and collaborates with the youth of ALSO to be proactive in their lives and in their community.

**The Oneg is Sponsored by Alice D'Souza**
**EDUCATION SERIES PROGRAMS**

**Saturday, December 17 at 3:00 – 5:30 p.m at Unity**

**Violins of Hope**

**VIOLINS OF HOPE** is a one-hour documentary featuring Israeli violin maker Amon Weinstein, who has devoted the past 20 years to restoring violins recovered from the Holocaust. Some were played by Jewish prisoners in concentration camps, others belonged to the Klezmer musical culture, which was all but destroyed by the Nazis. Behind each of the violins is a unique and inspiring story.

The violin has formed an important aspect of Jewish culture for centuries, but during the Holocaust, it assumed extraordinary roles. For some musicians the instrument was a liberator; for others, a savior that spared their lives; and for many, the violin provided comfort in mankind’s darkest hour. Above all, the violins of the Holocaust represented optimism for the future, and strength.

At the invitation of the Jewish community of Cleveland, Weinstein, with several of his violins, visited the city. Some of the instruments were used by the Cleveland Orchestra in a performance conducted by Franz Welzer in a refurbished Synagogue in Cleveland. Mike Vendeland, son of CHJ members Jack and Linda Vendeland, is the production manager at WVIZ/PBS in Cleveland, where the DVD was produced in 2016. It was inspired by the stories behind the violins, and Weinstein’s mission to collect and restore the instruments.

**DAVID HOULE, FUTURIST: This Spaceship Earth**

**Sunday, January 15, 2017 at 3:00 – 5.30 p.m. at Unity**

David Houle is a futurist, thinker and speaker. He spent more than 20 years in media and entertainment, including being part of the senior executive team that created and launched MTV, Nickelodeon, VHI, and CNN Headline News. Houle’s acclaimed presentation on climate change, *This Spaceship Earth*, and the need for humanity to develop “Crew Consciousness”—living with the awareness that we are all crew on a finite planet that has no source of resupply—as the only real way to move as rapidly as possible to collectively face the single biggest threat facing us, was triggered by his seventh, most recent book of the same name published in 2015. In April 2016, he launched a global nonprofit, ThisSpaceshipEarth.org, to address climate change.

**HESTER STREET** (90 min.) The film was part of a wave of films released in the 1960s and 1970s that began to deal with the complexities of American Jewish identity. Noted for its detailed reconstruction of Jewish immigrant life in New York at the turn of the century, *Hester Street* tells the story of Jewish immigrants who come from Europe to the lower east side of New York City in 1896. Yankle, who comes first, quickly assimilates into American culture and becomes Jake. He begins an affair with an American dancer, Mamie, whom he continues seeing after his wife, Gitl, arrives with their son Yossele. Gitl has trouble assimilating.

SUNSETTERS    Ours is always an open group that can accommodate an infinite number of people. We meet on the 3rd Sunday every month on Lido Beach – in front of the pavilion. Our only agenda item is the sunset. It is very informal and casual. We arrive about 1-1/2 hours prior to sunset. If you’d like to join us Contact the CHJ office at 941-929-7771 or chjsarasota@hotmail.com and Barb Shapiro will call you back.

CHAVURAH    Being part of a Chavurah is warm, engaging, stimulating, and fun! You have a chance to really get to know and understand fellow CHJ members as you meet monthly and shape your group. Camera functions and general photography tips are addressed. New members are welcome. For further information contact Jules Altenberg or the CHJ office at chjsarasota@hotmail.com or 941-929-7771.

EVERY LIFE IS A BOOK    When my husband and I joined CHJ, we were extremely impressed with the interesting people who comprise the membership and the fascinating lives they have led. Fleeting conversations at onegs were insufficient and we wanted to learn more about backgrounds, families, careers and areas of expertise. We all have stories to tell, and I am proposing we organize a group to hear them. We are calling the group Every Life is a Book. We will meet monthly to hear one person’s story. Participation is, of course, voluntary. If you are interested please leave a message for Alla Rabinovich at the CHJ office chjsarasota@hotmail.com or 941-929-7771.

We Will Remember Him

Fred Nobel

Fred Nobel passed away peacefully at home in Roslyn, New York, on August 3, at the age of 98.

He graduated from Abraham Lincoln High School in Brooklyn, received Bachelor’s and Master’s degrees in Chemical Engineering from The City College of New York and from NYU Polytechnic Institute of Brooklyn, respectively.

Nobel married Gilda in 1943. The two had met in 1942 at a Bronx party, where her piano playing won him over. “That’s what clinched it,” Gilda, 96, said with a laugh.

He was co-owner of LeaRonal, Inc., a supplier of specialty chemicals for the metal finishing industry. Nobel held dozens of patents and was a pioneer inventor in the electroplating process, and worked to make electroplating processes more environmentally safe.

Bill Brasch, a friend who worked with him, wrote, “I was sad to hear of Fred`s passing. He was a kind, great man with an uncanny gift for solving problems in the workplace. I worked with him for more than 35 years and he always made me feel as if I was a family member. I will miss and never forget him.”

He is survived by his wife of 73 years, Gilda Nobel; children Laurie Everitt and Barry Nobel; grandchildren Theodore and Benjamin Nobel, Anthony and Gregory Everitt; great-grandchildren William and Zoe Nobel; daughter-in-law Maija Nobel; grand-daughter-in-law Kriscinda Everitt; and son-in-law Thomas Jakups.
